### Application For Funds Obligation

Revised 08/2022

This application is for MiWB approval of mitigation project development. For questions contact Holly Vickers, Manager, [hvickers@miwb.org](mailto:hvickers@miwb.org)

**County Agency, address, email, cell phone, contact person, site name:**

**Consultant and contact information, if already selected or retained:**

**SIGMA ID:**

SIGMA is the State of Michigan payment system. Register at URL: [Michigan.gov/SIGMAVSS](http://Michigan.gov/SIGMAVSS) for a Vendor/ID number.

**Amount of reimbursement request:**

**Site name, Ecoregion, Watershed, County, Town, Range and Section Number:**

**EGLE File Number (or other documentation correspondence):**

**Ownership:** (Application must include work to acquire fee simple ownership)

**Stewardship:** (Who will own and maintain site, including long-term monitoring?)

**Endowment:** (prefer conservancy group with endowment amount)

**Mitigation credits are generally for all LTA's statewide. Other agencies may use credits, with Council approval?**

**Is there pollution or contamination that may affect site?**

**Is this site a wetland that has been effectively drained?**

**Is some work already done at this site?**

**Is this a wetland preservation site?**

---

#### DOCUMENTS - CHECK THOSE THAT ARE ATTACHED

- Cost spreadsheet with supporting documentation.
- If not owned by applicant, submit written permission to access property.
- County plat map, aerial photo, service area maps for site search.
- Other documents.
